

We look for You!

The Company

Airhero is an aviation company located in Prague, which develops and produces certified, state-of-the-art Airframes, Propulsion Units and associated parts & appliances. We endeavour to traverse and certify technologies from other industry domains (e.g. automotive) for use in aviation empowering innovative, new and very cost effective solutions. We foster Aviation by having a truly high level of Safety & Quality and by enabling cost efficient solutions in aviation with our innovations.

The Talents and Skills

We look for people with talent, knowledge and skills in

- embedded system development, Hardware & Software, Internet of Things, App development.
- design and construction in 3D, mechanical, structures, electrical, housings etc.
- production technology development and validation.
- technical documentation, desktop publishing.
- handcrafts, mechatronic, mechanic, electronics, composites and wood.
- business administration, human resources, organization, project management.
- IT infrastructure and standard software, PC, Mac, Win, Linux.
- supplier sourcing, supply chain management, logistics, warehousing,.

Aviation background is of advantage but not a requirement. The talent to manage yourself, the ability to come to a solution and the motivation to contribute to the goals of Airhero are considered much bigger pros.

The Search

In this pursuit Airhero is seeking individuals of all ages and education that are fascinated by aviation and interested in participating in a young companies' effort to become a leading force and a new star on the skies of aviation. If you are an individual having a high level of initiative and self-motivation, the ability to work efficiently with a high level of accuracy and organization in a regulated environment, we would be more than happy to hear from you.

You Participate

- in the development, marketing, sales and service of a new product with unique character.
- in an exciting branch of the industries with high innovation potential.

You Contribute

- to an international lifestyle campaign with opportunities to travel and to meet people of the world.
- to innovation in aviation with path breaking concepts and designs.
- to a better and safer world.

You Succeed

- by taking opportunities to expand knowledge in aviation specific technical and managerial subjects.
- by making a career in management up to executive positions at company level and later at group level.
- by being a positive contributor.

The Personality

We look for people not afraid of an international environment and - depending on the position - the requirement to communicate in English language.

Our emphasis is on the attitude and the willingness to learn and to continuously improve.

For us at Airhero it is very important that our team mate

- likes to communicate and collaborate.
- is customer oriented, helpful, polite, humble and concise.
- is reliable, integer, loyal, honest, constructive, forward oriented.
- has strong organizational and administrative skills.
- is very good in native language knowledge and able to communicate (written, spoken) in English.
- is working in details.
- is result driven.
- has a good sense of order and tidiness.
- is taking care of descent clothing and appearance.
- has a high school degree / school leaving examination.

The Offer

We offer a secure job with a competitive salary on a monthly basis in a young company with a great potential to develop into a leading aviation company. By supporting this development we invite the successful candidate to take the chance to make an inordinate career. We have a positive attitude, want to be the best and therefore offer our employees possibilities of education reinforcing the individual's strengths in order to keep up with the anticipated excellence of Airhero to play a top role in the world's aviation community.

Equal Opportunity

Airhero is committed to hiring and retaining a diverse workforce. We are proud to be an Equal Opportunity/Affirmative Action Employer, making decisions without regard to race, color, religion, creed, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class.

The Invite

Any individual wanting to participate, to contribute and to succeed is invited to put a cover letter indicating the motivation, the possible contribution together with a complete CV forward to the below indicated touch points. Preferred is a PDF via Email.
